

## School of Modern Languages - Italian

Aidan Pomerantz

Submitted by Laura Gardinali

It is a great pleasure to recommend Aidan Pomerantz as the Outstanding Student of the year for the School of Modern Languages Department.

Aidan started studying Italian in Summer 2021 as a dual enrollment student and I was immediately impressed by his ability to acquire the language and use it to communicate with me from the beginning. His enthusiasm, positive attitude and commitment to learning the language make him a model for his classmates and without any doubt one of my most brilliant students.
